

To promote more comprehensive solutions for growing digital payments

Bank Aljazira and Visa renews strategic partnership

Bank Aljazira announced the renewal of its strategic partnership agreement with Visa Inc., which aims to contribute in strengthening the digital payments system in the Kingdom, and supports Bank Aljazira's ambitions in developing card products and finding the latest financial solutions. The agreement was signed by Mr. Naif bin Abdul Karim Al Abdulkareem, CEO and MD of Bank Aljazira and the Kingdoms General Manager of Visa Inc., Mr. Ali Bailoun.

On that occasion, Mr. Khalid Al Othman, SVP & Head of Retail Banking Group, commented; "We are proud to continue our partnership with Visa, and we will work together to achieve a quantum leap in line with high-quality standards in order to provide the best and the latest products and services that meets the desires and needs of the bank's customers, and focus on growth opportunities in the Saudi market and contribute in achieving the goals of Vision 2030 in terms of payment systems, digital transformation and financial inclusion. Furthermore, this strengthens the strategic relationship between Bank Aljazira and Visa.

Mr. Ali Bailoun, stated further that the renewal of its partnership is the Bank's strategy to continue our cooperation in launching more innovative digital payment solutions and providing a safe experience and convenience for customers in promoting digital commerce in the Kingdom.

Bank Aljazira is committed in strengthening its position as a leading banking institution in the field of electronic payments and to working on the development of the best banking solutions in meeting the needs of various customer segments, while continuing to support the promotion of digital commerce and the development of the financial sector.
