REVIEW REPORT ON INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

To the Shareholders of Bank AlJazira
(A Saudi Joint Stock Company)

Introduction

We have reviewed the accompanying interim consolidated statement of financial position of Bank AlJazira ("the Bank") and its subsidiaries (collectively referred to as "the Group") as at 30 June 2015 and the related interim consolidated statements of income and comprehensive income for the three month and six month periods ended 30 June 2015, the related interim consolidated statements of changes in equity and cash flows for the six months period then ended, along with the notes from 1 through 19 which form an integral part of these interim condensed consolidated financial statements. We have not reviewed note 17, nor the information related to "Disclosure under Basel III Framework" cross-referenced therein, which is not required to be within the scope of our review. The Bank's management is responsible for the preparation and presentation of these interim condensed consolidated financial statements in accordance with applicable Accounting Standards for Financial Institutions and certain capital adequacy disclosure requirements issued by the Saudi Arabian Monetary Agency ("SAMA") and with International Accounting Standard No. 34 "Interim Financial Reporting" (IAS 34). Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

Scope of review

We conducted our review in accordance with generally accepted auditing standards in the Kingdom of Saudi Arabia applicable to review engagements and with International Standard on Review Engagements 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim condensed consolidated financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with generally accepted auditing standards in the Kingdom of Saudi Arabia and International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements are not prepared, in all material respects, in accordance with applicable Accounting Standards for Financial Institutions issued by SAMA and with IAS 34.

Other regulatory matters

As required by SAMA, certain capital adequacy information has been disclosed in note 16 to the accompanying interim condensed consolidated financial statements. As part of our review, we compared the information in note 16 to the relevant analysis prepared by the Bank for submission to SAMA and found no material inconsistencies.

The accompanying notes 1 to 19 form an integral part of these interim condensed consolidated financial statements.

1. GENERAL

These interim condensed consolidated financial statements comprise the financial statements of Bank AlJazira (the "Bank") and its subsidiaries (collectively referred to as the "Group"). Bank AlJazira is a Saudi Joint Stock Company incorporated in the Kingdom of Saudi Arabia and formed pursuant to Royal Decree number 46/M dated 12 Jumad Al-Thani 1395H (21 June 1975). The Bank commenced its business on 16 Shawwal 1396H (9 October 1976) with the takeover of The National Bank of Pakistan's branches in the Kingdom of Saudi Arabia and operates under commercial registration number 4030010523 dated 29 Rajab 1396H (27 July 1976) issued in Jeddah, through its 74 branches (31 December 2014: 70 branches, 30 June 2014: 69 branches) in the Kingdom of Saudi Arabia. The Bank's Head Office is located at the following address:

Bank AlJazira
Al-Nahda District, Malik Street,
P. O. Box 6277-Jeddah 21442
Kingdom of Saudi Arabia

The objective of the Bank is to provide a full range of Shari'ah compliant (non-commission based) banking products and services comprising of Murabaha, Istisna'a, Ijarah and Tawaraq, which are approved and supervised by an independent Shari'ah Board established by the Bank.

The Bank's subsidiaries are as follows:

	Country of incorporation	**Nature of business**	**Ownership (direct and indirect) 30 June 2015**	Ownership (direct and indirect) 31 December 2014	Ownership (direct and indirect) 30 June 2014
AlJazira Capital Company	Kingdom of Saudi Arabia	Brokerage and asset management	100%	100%	100%
Aman Development and Real Estate Investment Company	Kingdom of Saudi Arabia	Holding and managing real estate collaterals on behalf of the Bank	100%	100%	100%

2. BASIS OF PREPARATION

These interim condensed consolidated financial statements are prepared in accordance with the accounting standards for financial institutions promulgated by the Saudi Arabian Monetary Agency (SAMA) and International Accounting Standard No. 34 – "Interim Financial Reporting". The Bank prepares its interim condensed consolidated financial statements to comply with the Banking Control Law and the Regulations for Companies in the Kingdom of Saudi Arabia.

The interim condensed consolidated financial statements do not include all of the information required for annual consolidated financial statements and should be read in conjunction with the annual audited consolidated financial statements as of and for the year ended 31 December 2014.

The preparation of interim condensed consolidated financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates.

In preparing these interim condensed consolidated financial statements, the significant judgments made by management in applying the Group's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the annual consolidated financial statements as at and for the year ended 31 December 2014.

These interim condensed consolidated financial statements are expressed in Saudi Arabian Riyals (SR) and are rounded off to the nearest thousands except where otherwise stated.

3. BASIS OF CONSOLIDATION

These interim condensed consolidated financial statements comprise the financial statements of Bank AlJazira and its subsidiaries as set out in note 1. The financial statements of the subsidiaries are prepared for the same reporting period as that of the Bank, using consistent accounting policies.

a) Subsidiaries

Subsidiaries are entities which are controlled by the Bank. The Bank controls an entity when it is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. To meet the definition of control, all of the following three criteria must be met:

i. the Bank has power over an entity;
ii. the Bank has exposure, or rights, to variable returns from its involvement with the entity; and
iii. the Bank has the ability to use its power over the entity to affect the amount of the entity's returns.

Subsidiaries are consolidated from the date on which control is transferred to the Bank and cease to be consolidated from the date on which the control is transferred from the Bank. The results of subsidiaries acquired or disposed of during the period, if any, are included in the interim consolidated statement of income from the date of the acquisition or up to the date of disposal, as appropriate.

b) Non-controlling interests

Non-controlling interests represent the portion of net income and net assets of subsidiaries not owned, directly or indirectly, by the Bank in its subsidiaries and are presented separately in the interim consolidated statement of income and within equity in the interim consolidated statement of financial position, separately from the Bank's equity. Any losses applicable to the non-controlling interests in a subsidiary are allocated to the non-controlling interests even if doing so causes the non-controlling interests to have a deficit balance. Changes in the Bank's interest in a subsidiary that do not result in a loss of control are accounted for as equity transactions.

c) Transactions eliminated on consolidation

Balances between the Bank and its subsidiaries, and any unrealized income and expenses arising from intra-group transactions, are eliminated in preparing the interim condensed consolidated financial statements. Unrealized losses are eliminated in the same way as unrealized gains, but only to the extent that there is no evidence of impairment.

3. BASIS OF CONSOLIDATION (continued)

d) Associates

Associates are enterprises over which the Group exercises significant influence. Investments in associates are initially recognized at cost and subsequently accounted for under the equity method of accounting and are carried in the interim consolidated statement of financial position at the lower of the equity-accounted value or the recoverable amount.

Equity-accounted value represents the cost plus post-acquisition changes in the Group's share of net assets of the associate (share of the results, reserves and accumulated gains/losses based on latest available financial information) less impairment, if any.

The previously recognized impairment loss in respect of investment in associate can be reversed through the interim consolidated statement of income, such that the carrying amount of investment in the interim consolidated statement of financial position remains at the lower of the equity-accounted value (before provision for impairment) or the recoverable amount.

4. SIGNIFICANT ACCOUNTING POLICIES

The accounting policies used in the preparation of these interim condensed consolidated financial statements are consistent with those used in the preparation of the annual consolidated financial statements for the year ended 31 December 2014 except for the adoption of the following new standards and other amendments to existing standards mentioned below which had an insignificant financial impact on the interim condensed consolidated financial statements of the Group for the current period or prior period and is expected to have an insignificant effect in future periods:

- Amendments to IAS 19 applicable for annual periods beginning on or after 1 July 2014 is applicable to defined benefit plans involving contribution from employees and / or third parties. This provides relief, based on meeting certain criteria, from the requirements proposed in the amendments of 2011 for attributing employee / third party contributions to periods of service under the plan benefit formula or on a straight line basis. The current amendment gives an option, if conditions satisfy, to reduce service cost in period in which the related service is rendered.

4. SIGNIFICANT ACCOUNTING POLICIES (continued)

- Annual improvements to IFRS 2010-2012 and 2011-2013 cycle applicable for annual periods beginning on or after 1 July 2014. A summary of the amendments is as follows:
  - IFRS 1 - "First Time Adoption of IFRS": the amendment clarifies that a first time adopter is permitted but not required to apply a new or revised IFRS that is not yet mandatory but is available for early adoption.
  - IFRS 2 amended to clarify the definition of 'vesting condition' by separately defining 'performance condition' and 'service condition'.
  - IFRS 3 - "Business Combinations" amended to clarify the classification and measurement of contingent consideration in a business combination. It has been further amended to clarify that the standard does not apply to the accounting for the formation of all types of joint arrangements in IFRS 11.
  - IFRS 8 - "Operating Segments" has been amended to explicitly require disclosure of judgments made by management in applying aggregation criteria.
  - IFRS 13 has been amended to clarify measurement of commission free short term receivables and payables at their invoiced amount without discounting, if the effect of discounting is immaterial. It has been further amended to clarify that the portfolio exception potentially applies to contracts in the scope of IAS 39 and IFRS 9 regardless of whether they meet the definition of a financial asset or financial liability under IAS 32.
  - IAS 16 - "Property Plant and Equipment" and IAS 38 - "Intangible Assets": - the amendments clarify the requirements of revaluation model recognizing that the restatement of accumulated depreciation (amortisation) is not always proportionate to the change in the gross carrying amount of the asset.
  - IAS 24 - "Related Party Disclosures"- the definition of a related party is extended to include a management entity that provides key management personnel services to the reporting entity, either directly or indirectly.
  - IAS 40 - "Investment Property" clarifies that an entity should assess whether an acquired property is an investment property under IAS 40 and perform a separate assessment under IFRS 3 to determine whether the acquisition constitutes a business combination.

13. SHARE CAPITAL AND EARNINGS PER SHARE

The shareholders of the Bank in their meeting held on 20 May 2014 (corresponding to 21 Rajab 1435H) approved the increase in the Bank's share capital from SR 3 billion to SR 4 billion through the issuance of bonus shares to shareholders of the Bank (one share for each three shares). The legal formalities relating to the increase in share capital have been completed. Accordingly the authorized, issued and fully paid share capital of the Bank consists of 400 million shares of SR 10 each (31 December 2014: 400 million shares of SR 10 each; 30 June 2014: 400 million shares of SR 10 each).

The earnings per share for six months period ended 30 June 2015 was SR 2.41 (for six months period ended 30 June 2014: SR 0.82).

14. GAIN ON SALE OF OTHER REAL ESTATE

During the period, the Bank sold a land with a carrying value of SR 615.97 million previously included under “other real estate, net”. The sale proceed of land amounting to SR 1,188.62 million resulted in a gain of SR 572.65 million.

15. FAIR VALUES OF FINANCIAL INSTRUMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction takes place either:

- In the accessible principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous accessible market for the asset or liability

The fair values of financial instruments, except for investments held as at amortised cost, are not significantly different from the carrying values included in the interim condensed consolidated financial statements. The fair values of loans and advances, commission bearing customers’ deposits, due from/to banks and other financial institutions which are carried at amortised cost, are not significantly different from the carrying values included in the interim condensed consolidated financial statements, since the current market commission rates for similar financial instruments are not significantly different from the contracted rates, and for the short duration of due from/ to banks and other financial institutions. The estimated fair values of investments held as at amortised cost are based on quoted market prices when available or pricing models when used in the case of certain fixed rate sukuk. The fair values of these investments are disclosed below.

The fair values of derivatives and other credit related contingencies and commitments are determined by using the appropriate valuation techniques.

15. FAIR VALUES OF FINANCIAL INSTRUMENTS (continued)

Held as at amortised cost (SR'000)	Carrying amount	Fair value
Financial assets as at 30 June 2015	**10,932,731**	**10,958,362**
Financial assets as at 31 December 2014	10,926,334	10,951,137
Financial assets as at 30 June 2014	12,132,540	12,164,845

The fair values of investments held as at amortised cost are not significantly different from their carrying values. Some of the investments disclosed above are quoted in a market but not actively traded, whilst the remaining are unquoted.

Determination of fair value and fair value hierarchy

The Group uses the following hierarchy for determining and disclosing the fair value of financial instruments:

Level 1: quoted prices in active markets for the same or identical instrument that an entity can access at the measurement date,

Level 2: quoted prices in active markets for similar assets and liabilities or other valuation techniques for which all significant inputs are based on observable market data, and

Level 3: valuation techniques for which any significant input is not based on observable market data.

The data inputs to these models are based on observable market parameters relevant to the markets in which they are traded and are sourced from widely used market data service providers.

15. FAIR VALUES OF FINANCIAL INSTRUMENTS (continued)

Reconciliation of recurring fair value measurements categorized within Level 3 of the fair value hierarchy

During the six months period ended 30 June 2015 and six months period ended 30 June 2014, there were no transfers between Level 1 and Level 2 fair value measurements, and no transfers into or out of Level 3 fair value measurements. New investments acquired during the period are classified under the relevant categories.

16. CAPITAL ADEQUACY

The Group's objectives when managing capital are to comply with the capital requirements set by SAMA to safeguard the Bank's ability to continue as a going concern and to maintain a strong capital base.

Capital adequacy and the use of regulatory capital are monitored on a regular basis by the Bank's management. SAMA requires holding the minimum level of the regulatory capital and maintaining a ratio of total eligible capital to the risk-weighted assets at or above the agreed minimum of 8%.

The Group monitors the adequacy of its capital using ratios established by SAMA. These ratios measure capital adequacy by comparing the Bank's eligible capital with its consolidated statement of financial position assets, commitments and notional amount of derivatives at a weighted amount to reflect their relative risk.

16. CAPITAL ADEQUACY (continued)

The following table summarizes the Group's Pillar-I Risk Weighted Assets ("RWA"), Tier I and Tier II Capital and Capital Adequacy Ratios:

17. BASEL III PILLAR III DISCLOSURES

Certain disclosures on the Bank's capital structure are required to be published on the Bank's website. These disclosures will be published on the Bank's website www.baj.com.sa as required by SAMA. Such disclosures are not subject to review/audit by the external auditors of the Bank.

18. ISSUANCE OF RIGHT SHARES

With an aim to strengthen the capital base of the Bank, the Board of Directors has recommended to increase share capital by raising SR 3 billion through a right issue. The increase is conditional on taking the necessary approvals from the relevant authorities and the General Assembly on the extraordinary meeting and determine the offering price of the shares and numbers. The Bank has incurred initial expenses of SR 2.34 million in respect of the legal and professional matters.

19. APPROVAL OF INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENT

The interim condensed consolidated financial statements were authorized for issue by the Board of Directors on 13 Shawwal 1436H corresponding to 29 July 2015.
