To the Shareholders of Bank AlJazira: (A Saudi Joint Stock Company)

We have reviewed the accompanying interim condensed consolidated financial statements of the Bank AlJazira ("the Bank") and its subsidiaries as at June 30, 2010, comprising the consolidated statement of financial position as at June 30, 2010, and the related consolidated statement of income and consolidated statement of comprehensive income for the three-month and six-month periods ended June 30, 2010 and the consolidated statements of changes in equity and cash flows for the six-month period then ended, along with condensed notes 1 through 11. We have not reviewed Note 12, nor the information related to "Basel II disclosures" cross-referenced therein, which is not required to be within the scope of our review.

Management's Responsibility for the Consolidated Financial Statements

These interim condensed consolidated financial statements are the responsibility of the Bank's management and have been prepared by them in accordance with applicable Accounting Standards for Financial Institutions and certain capital adequacy disclosure requirements issued by the Saudi Arabian Monetary Agency (SAMA) and with International Accounting Standard No. 34 "Interim Financial Reporting" and submitted to us together with all the information and explanations which we required.

Scope of Review

Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

We conducted our review in accordance with generally accepted standards in Saudi Arabia applicable to review engagements and with International Standard on Review Engagements 2410. A review consists principally of applying analytical procedures to financial data and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying interim condensed consolidated financial statements for them to be in conformity with applicable Accounting Standards for Financial Institutions issued by the SAMA and with International Accounting Standard No. 34.

Other Regulatory Matters

As required by SAMA, certain capital adequacy information has been disclosed in Note 11 of the accompanying interim condensed consolidated financial statements. As part of our review, we compared the information in Note 11 to the relevant analysis prepared by the Bank for submission to SAMA and found no material inconsistencies.

3. BASIS OF CONSOLIDATION

The interim condensed consolidated financial statements comprise the financial statements of Bank AlJazira and its subsidiaries, namely Al-Khair Global Equities Fund, Al-Thoraiya European Equities Fund, Al-Mashareq Japanese Equities Fund, AlJazira Capital Company and Aman Real Estate (collectively referred to as "the Bank"). The financial statements of the subsidiaries are prepared for the same reporting period as that of the Bank, using consistent accounting policies.

Subsidiaries are all entities over which the Bank has the power to govern the financial and operating policies, so as to obtain benefits from its activities, generally accompanying an ownership interest of more than one half of the voting rights. Non-Controlling interests represent the portion of net income and net assets not owned, directly or indirectly, by the Bank in its subsidiaries and are presented separately in the interim consolidated income statements and within equity in the interim consolidated balance sheet, separately from parent shareholders' equity.

Balances between the Bank and its subsidiaries, and any unrealised income and expenses arising from intra-group transactions, are eliminated in preparing the interim consolidated financial statements.

The accounting policies adopted are consistent with those followed in the preparation of the Bank's annual consolidated financial statements for the year ended December 31, 2009, except for the amendment of IAS 27 (amended) as mentioned below, effective from 1 January 2010. The Group will apply this amendment to transactions occurring subsequent to 1 January 2010.

IAS 27 (amended) 'Consolidated and separate financial statements':

The amendment requires that a change in the ownership interest of a subsidiary (without loss of control) is accounted for as a transaction with owners in their capacity as owners. Therefore, such transaction will no longer give rise to goodwill, nor will it give rise to a gain or loss.
